### CURES WHILE YOU SLEEP.

Hyomel Guaranteed to Cure Catarrh of Money Refunded by Rickett & Wells, Druggists.

In addition to breathing Hyomel three or four times a day through the inhaler that comes with every outfit, it is well in the treatment of catarrh or catarrhal colds to moisten a piece of flannel with a few drops of Hyomel and pin it to the night clothes right under the chin. In this way Hyomel will be breathed the whole night long, curing while you sleep. In most cases it will break up a cold ever night.

The complete Hyomel outfit, consisting of a pocket inhaler, a medicine dropper and a bottle of Hyomel costs but one dollar. The inhaler will last a lifetime, and if more Hyomel is needed, extra bottles can be obtained for fifty cents.

It is the most economical of all remedies for the cure of catarrh, and the only one that follows a natural method in treating diseases of the respiratory organs. Physicians advise a change of climate for the cure of catarrh. With Hyomel, a change of climate is gained while at home. Its healing balsams impregnate the air you breathe and their health-giving and germ-destroying powers go to the most remote air cells of the respiratory organs.

You take no risk in buying Hyomel. Rickett & Wells have so much confidence in its power to kill catarrh, grippe and catarrhal colds that they sell it under their personal guarantee to refund the money if it fails to cure.
